Yarn: 5 (6) skeins of Semilla fino from BC yarn, colour ox101 (240 m/50 g). 5 skeins of Kid mohair from BC yarn, colour: km34 (225 m/25 g). You will crochet with both threads throughout.

Hook: 5-7 mm (the hook size you need varies wildly from person to person in this pattern depending on how tight you crochet. I used a 5 mm hook, but I know many who used a 6 or 7 mm)

Gauge: 20 FPdc/12,5 rounds = 10 cm.

Sizes: Small (large). The shown sweater in in size small. As it is made top down, you can try it on as you go. If you want a bit less width you can use a smaller hook eg in the waist area or a larger hook to get a bit extra width. The length can be adjusted by making more repeats.

Finished measurements: Length: 46 (46) cm. Circumference of sweater at chest: 96 (112) cm.

Special abbreviations:

FPdc, FPHdc - see last page

On the next round the sleeves are established:

Round 20: Ch 2, 1 FPdc around each of the next 3 (4) sts, skip 36 (42) sts (ch are also counted as sts), ch 25 (29), continue in the established pattern (*ch 1, 1 FPdc around each of the next 3 (4) sts, ch 5, 1 FPdc around each of the next 3 (4) sts*) over the next 71 (83) sts, skip 36 (42) sts, ch 25 (29), continue in the established pattern to end of round, 1 sl st in first FPdc.

Round 21: Ch 2, 1 FPdc around each of the next 3 (4) sts, *skip 1 ch, ch 2, 1 dc in each of the next 3 (4) ch, skip 5 ch, ch 4, 1 dc in each of the next 3 (4) ch*, repeat from * to * to the end of the long chain. Continue across the front in the established pattern – in the next long chain crochet as before, continue to end of round in the established pattern, 1 sl st in first FPdc.

Continue in the established pattern until you have made 44 rounds from the neck opening – the last round should have chains of 6.

Decreasing:

Next round: Ch 2, 1 FPdc around each of the next 3 (4) sts, *ch 5, 1 FPdc around each of the next 6 (8) sts*, ch 5, 1 FPdc around each of the next 3 (4) sts, 1 sl st in first FPdc.

Next round is made in a similar way but this time with only 4 ch, next round you will make 3 ch and so forth until the round is made of only FPdc.

Next round: Ch 1, 1 FPhdc around each st to end of round, 1 sl st in first FPdc.

Repeat this round 9 times more.

Fasten off.

SLEEVES

Join yarn in the 14th (16th) st under the arm (the ch also counts as sts).

Round 1: Ch 2, 1 FPdc around each of the next 3 (4) sts, ch 5, 1 FPdc around each of the next 3 (4) sts, 1 FPdc around each of the next 3 (4) sts on the other side of the sleeve, *ch 5, 1 FPdc around each of the next 3 (4) sts, ch 1, 1 FPdc around each of the next 3 (4) sts*, repeat from * to * once, ch 5, 1 FPdc around each of the next 3 (4) sts, 1 FPdc around each of the next 3 (4) sts on the other side of the sleeve, ch 5, 1 FPdc around each of the next 3 (4) sts, ch 1, 1 sl st in first FPdc.

Round 2: Ch 2, *1 FPdc around each of the next 3 (4) sts, ch 4, 1 FPdc around each of the next 3 (4) sts, ch 2, 1 FPdc around each of the next 3 (4) sts*, repeat to end of round, 1 sl st in first FPdc.

Continue in the established pattern until you have made 36 rounds from the beginning of the sleeve – the last round should have chains of 6. Decrease as you did on the body and then make 4 rounds of FPhdc.

Make the other sleeve in the same way.

No seaming!!! But you do have to weave in the ends.

You might find that the edge is rolling depending on the yarn you have used.

See next page for what to do about it.

Tambour crochet for the edge

* use slip stitches if the lower edge rolls

1: Work from the wrong side at the lower edge of the sweater. Hold the yarn behind the work.

4: Insert hook in space between the next stitches and yarn over.

2: Insert the hook in the space between the first 2 stitches, yarn over.

5: Pull the yarn through the work and the loop on the hook at the same time. The first slip stitch is done.

3: Pull the yarn through to the wrong side. Now you have 1 loop on the hook.

Repeat the steps 4-5 along the lower edge of the sweater.

Front post double crochet

* post stitches can be made from the front of the work (F - front post double crochet) or from the back (B - back post double crochet).

Make a row of dc, turn. Ch 2, pull at the ends of your swatch to see the individual "posts" of the stitches. Post stitches are made around the post instead of into the loops.

Yarn over, skip the first dc, insert the hook from front of work from right to left under the post of the next st.

Yarn over, pull the yarn through. Now you have 3 loops on the hook. Continue as for a completely ordinary double crochet stitch: Yarn over, pull yarn through 2 loops on the hook, yarn over, pull yarn through last 2 loops on the hook. The first front post double crochet (fpdc) is done!

Repeat the steps 2-3.

FPhdc - Front post half double crochet follow the same procedure as front post double crochet but make a hdc instead of a dc.
