

SHIRT CALIN

This shirt is made in one piece from top to bottom. You can even make a hood if you like. On the last page you will find a list with all the yarn you will need to make your Calin. Please read the whole pattern before you start.

Material: please take a look at page 9
Stichmarkers (SM)

You can find all the different sizes in this pattern. For each size a different colour is used to tell them apart. Black stands for size S/M, green for L/XL, and blue for XXL/XXXL.

You will need a 4 or a 4,5 mm hook (please make a gauge before you start)
Gauge is 19 dc and 10 rows will get you a 10 cm square.

Used stiches are:

Chains (ch), starting chain 2 (ch2), slip stich (ss), double crochet (dc), front post treble crochet (fptr), back post treble crochet (bptr), stich (st), skip (sk), repeat (rep), turn over (to), increase (inc).

Pattern for the hood

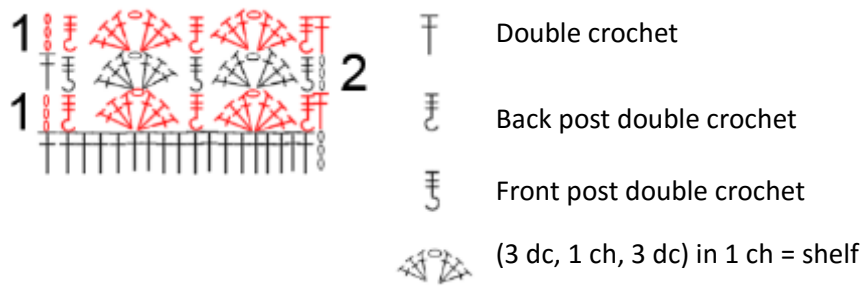

If you choose not to make the Hood, please start on page 4.

Begin with a chain 48. Make a dc into the fifth st from your hook. Continue with 43 dcs across. Make 3 dcs into the last chain. Put a SM into the second dc of those 3. Don't turn your hood and start working on the bottom of your starting chain. Make 44 dc across. (91 dc in total), to

ch3, 1 bptr, *sk 3 dc, in the next st (3dc, ch1, 3dc), sk 3 dc, 1 bptr* rep from *to* once, dc across until you reach sm (27 dc). In this marked st: 3 dc (inc). 27 dc across, 1 bptr, *sk 3 dc, in the next st (3dc, ch1, 3dc), sk 3 dc, 1 bptr* repeat from *to* once, 1 dc, to

1. Row: ch3, 1 fptr, *sk 3 dc, in the ch (3 dc, ch1, 3 dc), sk 3 dc, 1 fptr* rep from *to* once, 28 dc, 1 dc (mark this st), 28 dc, 1 fptr, *sk 3 dc, in the ch (3 dc, ch1, 3 dc), sk 3 dc, 1 fptr* rep from *to* once, 1 dc, to

2. Row: ch 3, 1 bptr, *sk 3 dc, in the ch (3dc, ch1, 3dc), sk 3 dc, 1 bptr* rep from *to* once, dc across until you reach sm (28 dc). In this marked st: 3 dc (inc). 28 dc across, 1 bptr, *sk 3 dc, in the ch (3dc, ch1, 3dc), sk 3 dc, 1 bptr* repeat from *to* once, 1 dc, to

Rep row 1 and 2 until you've made 4 (8, 12) inc then rep without the inc until you've reached 35 cm (about 29 rows). You should have 99 (107, 155) st and you end with a row that has the fptr in it.

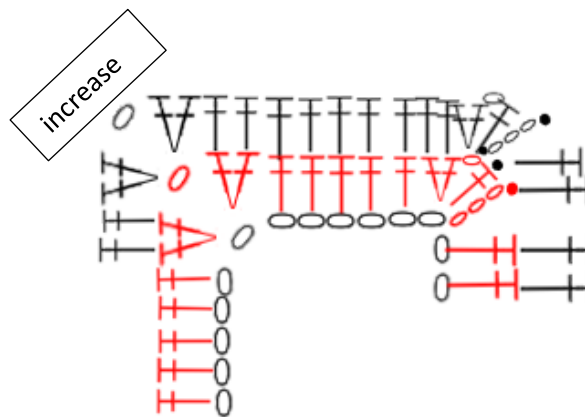

Ch 3, dc across, don't to, ch 25 (33, 41) and join to the top of the ch 3 of this round (be careful not to twist the ch), to (124, 140, 156 st including the ch)

Work in the same st inc 1 (ch 3, dc, ch 1, 2 dc), work one dc across the ch, in the next st inc 2 (2 dc, ch, 2 dc), 35 dc, in the next st inc 3 (2 dc, ch, 2 dc), 25 (33, 41) dc across, in the next st inc 4 (2 dc, ch, 2 dc), 35 dc across. Join to the third ch of your starting ch3. Do not to.

Into the same st (ch 3, dc, ch, 2 dc), dc across until you reach inc 2. In the first st of inc 2 (2 dc, ch, 2 dc), dc across until you reach inc 3. In the first dc of inc 3 (2 dc, ch, 2 dc), dc across until you reach inc 4. In the first dc of inc 4 (2 dc, ch, 2 dc), dc across und join to the ch 3. Don't to. Continue at the orange star.

Without the Hood

ch 124 (140, 156) plus ch 3

In the 4th chain inc 1 (dc, ch, 2 dc), 25 (33, 41) dc across, inc 2 in the next ch (2 dc, ch, 2 dc), 35 dc across, inc 3 in the next ch (2 dc, ch, 2 dc), 25 (33, 41) dc across, in the next ch inc 4 (2 dc, ch, 2 dc), 35 dc across, join to the third ch of your starting ch 3. Do not to.

Row 1: st to the ch 1 from before. In this ch 1 inc 1 (ch 3, dc, ch 1, 2 dc), dc across until you reach inc 2. In the ch 1 (2 dc, ch 1, 2 dc), dc across until you reach inc 3. In ch 1 (2 dc, ch 1, 2 dc), dc across until you reach inc 4. In the ch 1 (2 dc, ch 1, 2 dc), dc across, join to the third ch of your ch 3. Do not to

★ Row 2 and 3: rep row 1 (188, 204, 220 dc in total)

At this point we will add the design using inc. Inc is made with **2 dc in one dc**.

Hole pattern: ch 1, dc, ch 1 (You can also use only dc but you will need more yarn.)

Shelf pattern right side facing: fptr, sk 3 st, in the ch 1 (3 dc, ch 1, 3 dc), sk 3 dc, fptr

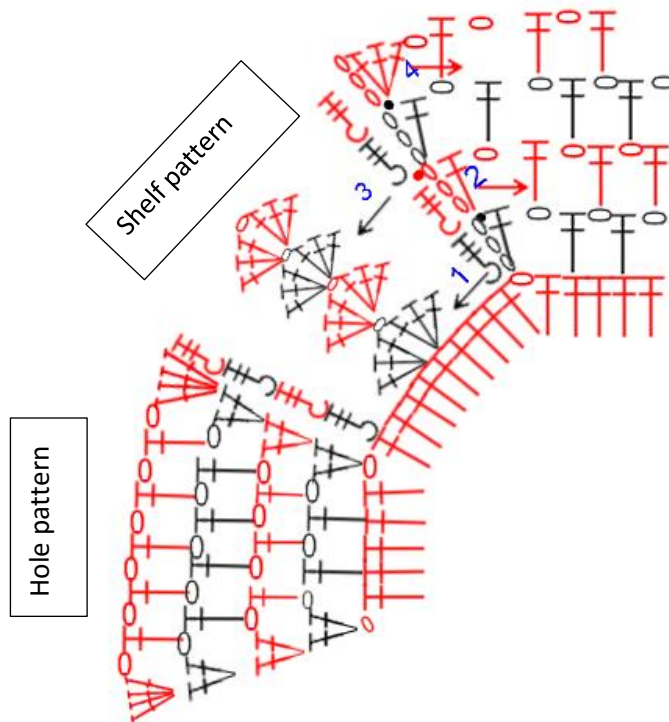

Shelf pattern wrong side facing: bptr, sk 3 st, in the ch 1 (3 dc, ch 1, 3 dc), sk 3 dc, bptr

Stich distribution:

Shelf pattern: in the front and back each with 41, 49, 57 dc

Sleeve (hole pattern or only dc): each side 53 plus 2 inc (it's the same for every size = 25 times ch 1, dc)

For size L/XL inc is 4 dc in every third row. Size XXL/XXXL work you're in alternating every third and second row.

Row 1: ch 3 (= inc 1), fptr, *sk 3 dc, in 1 dc (3 dc, ch 1, 3 dc), sk 3 dc, fptr* rep from * to * 4 (5, 6) times, work around the ch inc2, work [1 ch (sk 1 st), 1 dc] 25 times, work around the ch inc3, 1 fptr, *sk 3 dc, in 1 dc (3 dc, ch 1, 3 dc), sk 3 dc, fptr* rep from * to * 4 (5, 6) times, work around the ch inc4, work [1 ch (sk 1 st), 1 dc] 25 times, 1 dc around the same st as the ch3, 1 sl st in the third ch. t.

Row 2: ch 3 and 1 dc in the same st (= inc1), work [1 ch (sk 1 ch), 1 dc around the ch] 26 times, 1 ch (sk 1 dc), work inc4, 1 bptr, *sk 3 dc, work around the ch (3 dc, 1 ch, 3 dc), sk 3 dc, 1 bptr*, rep from *to* 4 (5, 6) times, work inc3, work [1 ch (sk 1 ch), 1 dc around the ch] 26 times, 1 ch (sk 1 dc), work inc2, 1 bptr, *sk 3 dc, work around the ch (3 dc, 1 ch, 3 dc), sk 3 dc, 1 bptr*, rep from *to* 4 (5, 6) times, 1 sl st in the third ch. t.

Row 3: ch 3 (= inc 1), work in the shelf pattern front row 1 fptr, *sk 3 st, work in 1 dc (3 dc, 1 ch, 3 dc), sk 3 dc, 1 fptr*, rep from *to* 4 (5, 6) times, work inc2, work in the hole pattern, work inc3, work in the shelf pattern front row 1 fptr, *sk 3 st, work in 1 dc (3 dc, 1 ch, 3 dc), sk 3 dc, 1 fptr*, rep from *to* 4 (5, 6) times, work inc4, work in the hole pattern, 1 dc in the same st as the 3 ch, 1 sl st in the third ch, t.

Row 4: here we work the inc with 4 dc in 1 dc:

Ch 3 and 3 dc in the same st (inc1), work in the hole pattern, work inc4 (4 dc in 1 st), 1 bptr, *sk 3 dc, work around the ch (3 dc, 1 ch, 3 dc), sk 3 dc, 1 bptr*, rep from *to* 4 (5, 6) times, work inc3, work in the hole pattern, 1 bptr, *sk 3 dc, work around the ch (3 dc, 1 ch, 3 dc), sk 3 dc, 1 bptr*, rep from *to* 4 (5, 6) times, 1 sl st in the third ch, t.

Rep 1 to 4 until you reach your elbow with the hole pattern. End with row 2 or 4.

Now you cut down the sleeves. Put your shirt on and measure your stomach circumference at the point where your shirt ends now with a measuring tape. Take your shirt off again and lay it down flat in front of you. Begin in the middle of your front side and measure a quarter of your stomach circumference to the left and the right. Place a SM there. Do the same on the back of your shirt. Make sure that you have the same length on each side and the shelf pattern looks even.

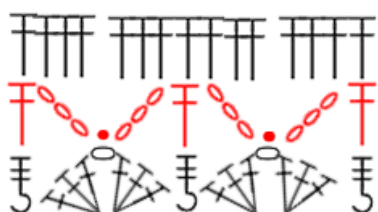

Black arrow: sleeve that will be cut
Orange arrow: half of the circumference
Yellow line: center of the shirt

Please try your shirt on and bring your SM together. It shouldn't be too tight around your stomach. If it is too tight you can make a ch sp in the next step.

Band

The band is made only with dc

Copyright is by Biancha Müller, Mllerei Handarbeitsallerlei, biancha.mueller@gmail.com
Don't share the pattern or parts of it.

At the shelf pattern: ch 3, dc in every fptr or bptr, then ch 3 and skip three dc of the shelf, ss in the ch, ch 3 and skip three dc of the shelf, 1 dc into the fptr/bptr

At the hole pattern: dc across until you reach the SM, sk the ch in between the dc, sk all the stitches until you reach the second SM (yellow line).

At the shelf pattern: dc in every fptr or bptr, then ch 3 and sk three dc of the shelf, ss in the ch, ch 3 and skip three dc of the shelf, 1 dc into the fptr/bptr
dc across until you reach the next SM, dc across the shelf pattern (sk the ch in between the dc), join to the third ch on your starting ch. To

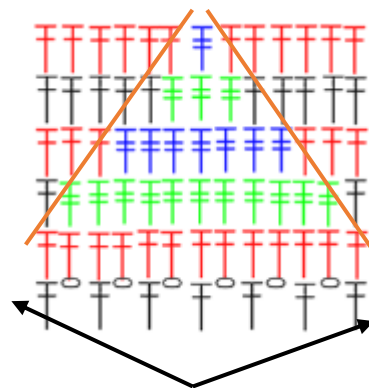

Ch 3, dc across dcs, in every ch 3 work 3 dc, join to the third ch on your startin ch. To

Rep until you reach the length you like. At the end you can add 4 rows of sc.

Dec in every third row skipping every 15th st.

For size XL and bigger: you need to work tr (treble) between the shelf pattern (this will be under your arms). Please take a look at the chart.

Work less tr on the inside (see orange line)

Left and right (black dart) = shelf pattern

Wash your shirt in cold water and let it dry lying flat. Weave in all ends and you are done.

The sleeves on this shirt was made with dc instead of the hole pattern. I also sewed the sleeves together (see yellow arrow).

How much yarn you will need:

With the hole pattern and the hood:

Size S/M: 1000 m 4 threads yarn (150 gr/560 m)

Size L/XL: 1200 m 4 threads yarn (150 gr/560 m)

Size XXL/XXXL: 1400 m 4 threads yarn (150 gr/560 m)

With the hole pattern but without the hood:

Size S/M: 760 m 4 threads yarn (150 gr/560 m)

Size L/XL: 1100 m 4 threads yarn (150 gr/560 m)

Size XXL/XXXL: 1200 m 4 threads yarn (150 gr/560 m)

With the hood and without the hole pattern:

Size S/M: 1200 m 4 threads yarn (150 gr/560 m)

Size L/XL: 1400 m 4 threads yarn (150 gr/560 m)

Size XXL/XXXL: 1600 m 4 threads yarn (150 gr/560 m)

Without the hood and without the hole pattern:

Size S/M: 1000 m 4 threads yarn (150 gr/560 m)

Size L/XL: 1200 m 4 threads yarn (150 gr/560 m)

Size XXL/XXXL: 1400 m 4 threads yarn (150 gr/560 m)
