

Matterhorn Ski Slouch

Designs by Jennifer Pionk aka A Crocheted Simplicity ~ All Rights Reserved.

Materials

- Yarn: Light Worsted Weight / 4 / 265 - 320 yards
- Crochet Hooks: H/8/5.00mm; G/6/4.00mm
- Yarn Needle
- Stitch Marker

Experience Level

- Easy - Intermediate

Gauge

- Hat: 8 sts x 7 rows = 2"
- Band: 9 sts x 10.75 rows = 2"

Size

- Toddler: 17" - 19" circumference (265 yards)
- Child: 19" - 21" circumference (285 yards)
- Teen / Adult Small: 21" - 22" circumference (300 yards)
- Adult Medium / Large: 22.5" - 24" circumference (320 yards)

Notes:

- I tend to crochet on the tighter side. You may need to go down a hook size (or two) to meet gauge if you crochet on the looser side.
- First st of a row/rnd is worked in the same st as turning ch, unless specified otherwise.
- **Yarn Notes:** Lion Brand Wool Ease Worsted in Fisherman was used for the sample on page 1. Another comparable light worsted weight yarn may be used as long as gauge is met.
- **Fur Pom:** Lion Brand Pelt was used to make the faux fur pom. You can find the Free Tutorial on my blog: <http://www.acrochetedsimplicity.com/?p=1279>
- **Please Read the "Important Notes" on page 2** before beginning. These notes go over how the stitches are worked in this hat so that the post stitches move horizontally outward and inward.

Important Notes

Keep these notes in mind while working your hat. They will help you with proper stitch placement, especially when your post stitches are moving horizontally, outward and inward.

- **Note #1: Unwritten Rule of Post Stitches:** When working post stitches, you always skip over the top loops of 1 stitch behind each post stitch. If you do not skip over those top loops, you'll end up increasing your overall stitch count. **I believe that most of us do this without even thinking about it, but when it comes to using the post stitches to create cables that move, we forget about that little tidbit.
- **Note #2:** Pay *REALLY* close attention to wording, it is very literal. The pattern always says "fpXX around next **post st**". Except for Round 2 (which is the first round of post sts) you will work *EVERY* post st around a post st from the previous round (*not around an ext sc*). In short, make sure to work *EVERY* post st from Round 3 or later, around the post of a post st from the previous round and your post sts will be where they need to be.
- **Note #3:** To achieve proper movement of post stitches, you may be working into *BOTH* the top loops of a post stitch and around it. Watch wording carefully and make sure to always skip the top loops of 1 stitch behind every post st.
- **Note #4:** To maintain post stitch movement and stitch count, there are also times when you will not be working into an ext sc. Count stitches and pay special attention to wording.

Note: You may work up Round 1 and think "This hat is WAY too big!". Please note that Round 1 is NOT the finished hat size. I've designed the body of this hat to have more fullness to it and then designed the hat band to provide the final fit for size. As long as you match gauge, your hat will turn out to be the size noted. ☺

Note: You may work up Round 1 and think "This hat is WAY too big!". Please note that Round 1 is NOT the finished hat size. I've designed the body of this hat to have more fullness to it and then designed the hat band to provide the final fit for size. As long as you match gauge, your hat will turn out to be the size noted. 😊

Crochet Hook: H/8/5.00mm

Rnd 1 (RS): Ch 93, ext sc in 2nd ch from hook, ext sc in each ch across. (92 sts)**Begin working in continuous rounds at the beginning of Round 2 by working the first ext sc of Round 2 into the first ext sc of Round 1. I highly suggest placing a stitch marker between the first and last stitches of the round to keep your place and moving the stitch marker up as you work each round.*

Seam Instructions & Tutorial

Note: The photos shown in this tutorial are showing the method of seaming only and are not necessarily of this design.

With the *Right Side* of the band facing you bring the first row up to meet the last row. Position your working yarn so that it's on the inside of the band (See Photos above). Slip stitch the rows together using the following method: insert your hook (from front to back) into the FLO of the 1st stitch of Row 1 (See light blue hook in photos above), insert your hook (from back to front) into the BLO of the 1st stitch of the last row (See pink hook in photos above), yo, pull thru all loops on your hook (See purple hook in photo above right and below). Continue in this way across the band to complete the seam.

Photo to the left shows what your seam should look like after completing a few slip stitches.

After you've completed the seam on your band, turn your hat right side out and fold up the band.
