

Summer Snowflake Scarf

designed by **Elizabeth Myers**

Summer Snowflake is an exquisitely soft and delicate lace crochet scarf. It is made with a doubled strand of variegated alpaca and silk yarn, which gives the scarf lovely texture, shine and drape. Yarn of **any gauge or type** may be substituted, although this will of course alter your results.

Although it has a ‘snowflake motif’ feel, this pattern is made with one continuous doubled strand of yarn, so there are only 2 ends to weave in.

Snowflake can be worn unblocked, but looks best at its blocked dimensions of 56” X 5 1/2”. It can easily be made longer or shorter according to taste, but stays the same width.

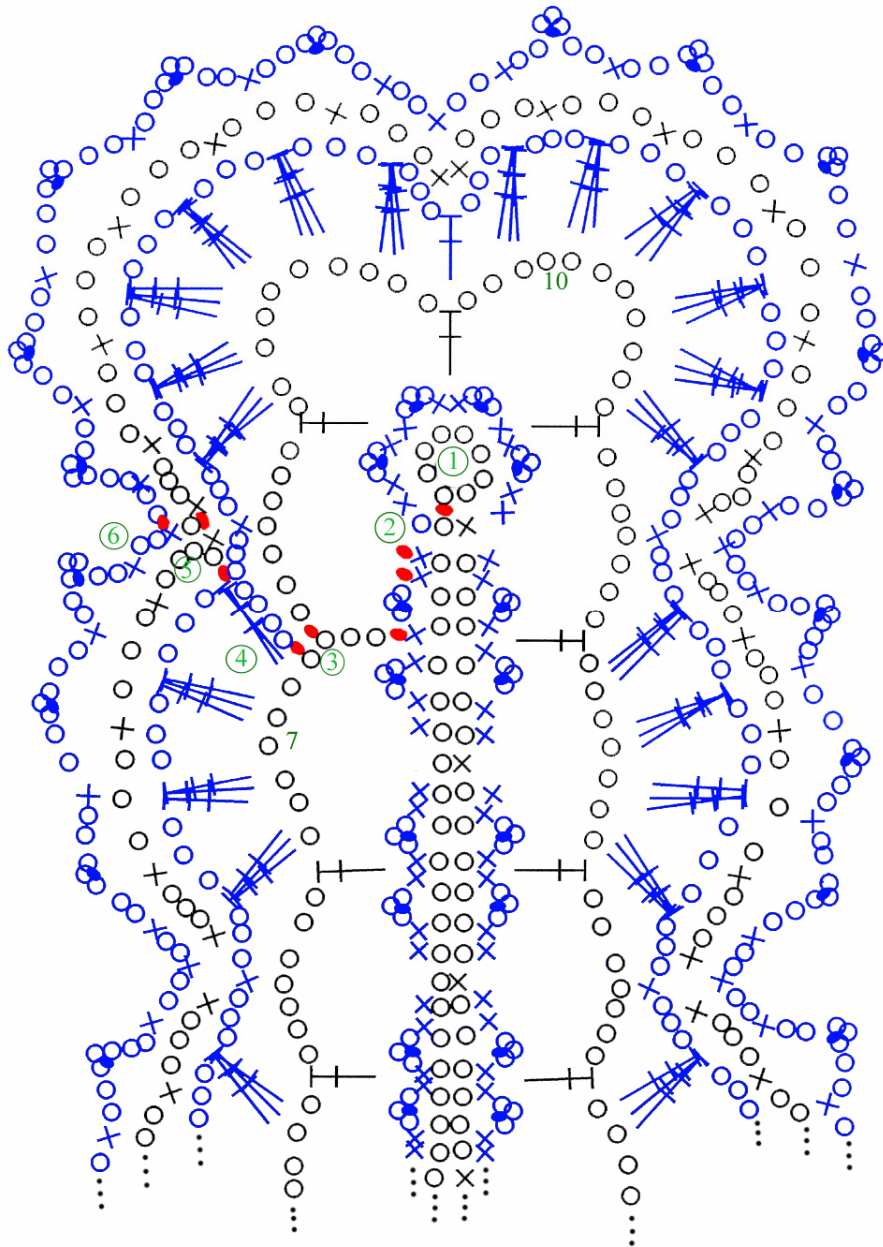

This pattern includes both charted and written directions. Please read Pattern Notes before beginning your project, to ensure success.

Summer Snowflake Schematic

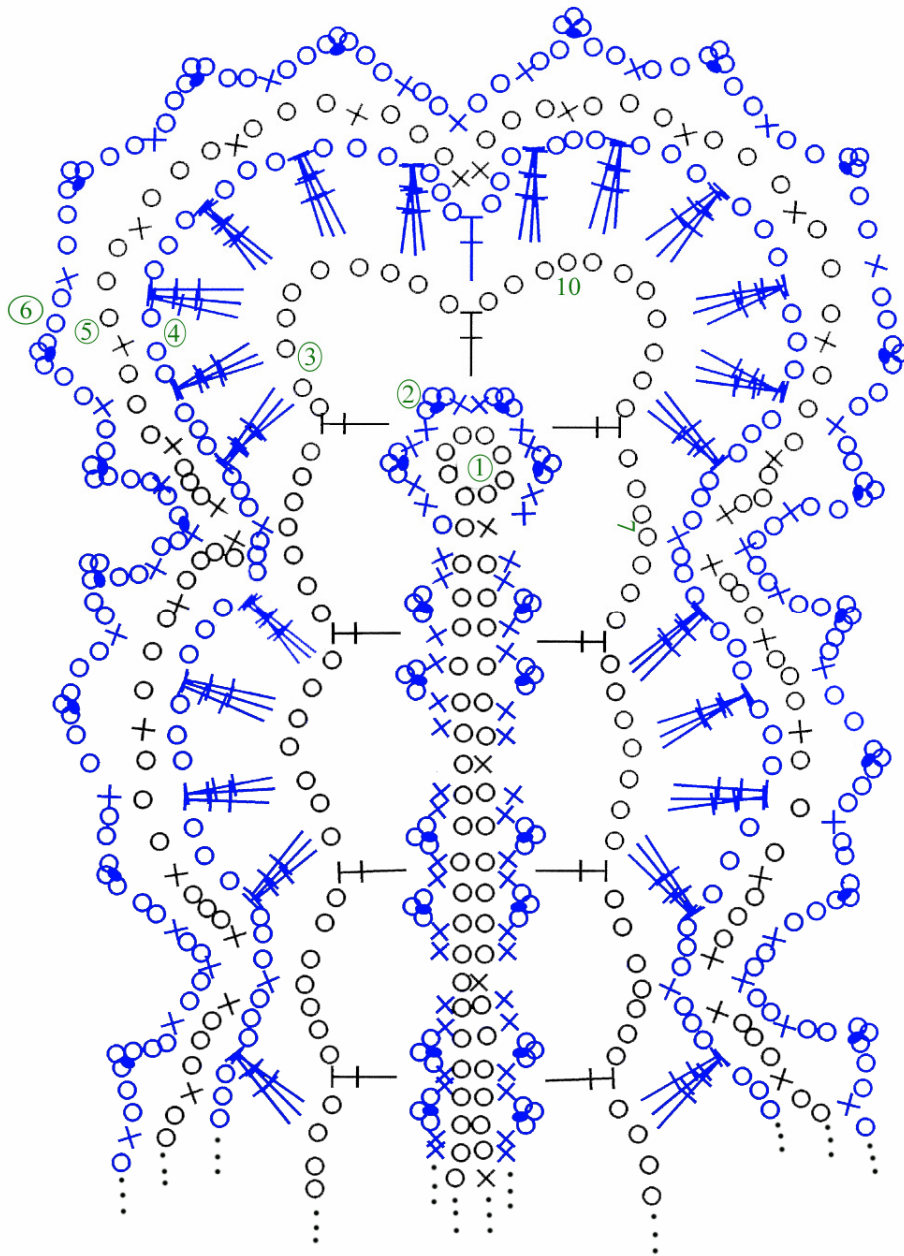

Length: 56"
Width: 5 and a half"
Pattern Repeat: 2 and a half inches,
which may be added or subtracted as
desired.

Summer Snowflake Chart 1

Summer Snowflake Chart 2

Summer Snowflake Pattern Notes

- All rows are crocheted counterclockwise. Charted stitches are also read counterclockwise.
- The pattern consists of 2 matching half-circle motifs on each end of the scarf, with 20 complete lengthwise pattern repeats of the mid-scarf motif. The mid-scarf motif pattern repeats may be added or subtracted while crocheting the chain in the first round, by adding or subtracting chains in groups of 16 chain stitches. Each mid-scarf motif requires 16 chain stitches in the initial first row chain between the 8-chain end circles.
- Chart Notes: A Symbol Key is included to clarify charting. Remember that rows run counterclockwise, and therefore the first stitch in each row can often be located by finding the last stitch in the row--charted in red--and looking next to the red stitch in the correct counterclockwise direction.
- Picots are worked as Chain 3, slip stitch in first chain.
- Questions can often be clarified by reading the written directions if following the chart, or taking a look at the chart, if reading the written directions.
- I am happy to field questions, feedback, errata, etc. Please contact me through my weavrmom Ravelry account, at my blog <http://weavrmom.blogspot.com/>, convo me at my Etsy shop, Serendip, or email me at Serendipshop@yahoo.com.

Written Directions

Hook : 2.75 mm (C)

Yarn : Knit Picks Shimmer , 1 skein of 440 yards.(Turquoise Splendor shown)

Note: Any other laceweight yarn may be substituted, as may one ply of sock weight yarn. To increase the size of the motifs, any gauge or type of yarn may be used.

Size: One size fits all!

To complete one picot: Chain 3, slip stitch in first chain.

Abbreviations:

Ch : Chain

Sc: single crochet

Sl st: Slip stitch

Dc: Double crochet

Round 1:

Ch 298, sc in 9th ch from hook, (ch 6, sc in 7th ch from where last sc was worked into long lower chain) 40 times. Ch 8, sl st to last sc. Forty mid-scarf loops between 2 end 8-chain loops completed.

Round 2:

Work first long side of scarf: Work counterclockwise down the length of the scarf, heading away from the just-completed 8-chain loop. Ch 1. On the 6-stitch chain between sc's work (2 sc, picot, 2 sc, picot, 2 sc). Repeat this pattern a total of 40 times, once in each 6-stitch chain along one side, until the 8-chain loop at the far end of the scarf is reached. One long side of scarf completed.

Work end motif: Into the 8-chain end loop work (2 sc, picot) 4 times, 2 sc.

Work second long side of scarf: Into each 6-stitch chain on the remaining unworked side of scarf work (2 sc, picot, 2 sc, picot, 2 sc) 40 times, one repeat into each 6-stitch chain.

Work second end motif: Complete second 8-chain loop identically to the first: (2 sc, picot) 4 times, 2 sc. Sl st into first sc of Round 2, sl st into next sc, skip picot, and make third sl st in next sc, to reach the midpoint of the pattern on that 6 chain arc. Second round and setup for next row completed.

Round 3:

Work first long side of scarf: Continuing to work counterclockwise as before, ch 10, dc between the picots of the next 6-chain arc, (ch 7, dc between picots of next arc) 37 times. First long side of scarf completed.

Work first end motif: Ch 7, dc between 1st and 2nd picots of scarf end loop. (Ch 10, dc between next 2 end-loop picots) 2 times. First end motif completed.

Work second long side of scarf: (Ch 7, dc between picots of next 6-chain arc) 38??? times.

Work second end motif: Ch 7, dc between 1st and 2nd picots of scarf end loop. (Ch 10, dc between next 2 end-loop picots) 2 times. Ch 7, and make 2 sl st's in third and fourth chain from the start of the beginning 10 stitch chain of Round 3. Third round and setup for next round completed.

Round 4:

Work first long side of scarf: Ch 4, 2 treble cluster on 7-chain arc between dc's. (Ch 3, 3 treble cluster) 3 times on the same 7- stitch chain. Chain 3, sc in next 7-stitch chain. [In next 7-stitch chain, ch 3 (3 treble cluster, ch 3) 4 times, and then sc in the following 7 stitch chain] Repeat 19 times. One long side of scarf completed.

Work end motif: In 10-chain loop (Ch 3, 3 treble cluster) 6 times. Ch 3, dc into dc between the 2 10-chain loops. In second 10-chain loop (Ch 3, 3 treble clusters) 6 times. Ch 3, sc in next 7 stitch chain. End motif completed.

Work second long side of scarf: In next 7-stitch chain work (Ch 3, 3 treble cluster) 4 times. Ch 3, sc in next 7 stitch chain. Repeat 20 times. Second long side of scarf completed.

Work second end motif: In 10-chain loop (Ch 3, 3 treble cluster) 6 times. Ch 3, dc into dc between the 2 10-chain loops. In second 10-chain loop (Ch 3, 3 treble clusters) 6 times. Ch 3, sc in next 7 stitch chain. Ch 3, sc in next 7-stitch chain, ch 3, sl st into fourth chain at the top of beginning cluster stitch of Round 4. Round completed.

Round 5:

Work first long side of scarf: **Working clockwise for 2 stitches:** Ch 1, sc on 3-stitch chain between cluster stitch and sc. Turn work to begin working counterclockwise again for the remainder of the pattern. (Ch 3, sc on chain between 1st and 2nd cluster stitches of 4-cluster group. Ch 3, sc on chain between 2nd and 3rd cluster stitches of 4-cluster group. Ch 3, sc on chain between 3rd and 4th cluster stitches of 4-cluster group. Ch 3, sc on chain between 4th cluster and sc. SC again in next chain between sc and 1st cluster of next group.) Repeat a total of 20 times.

Work first end motif: (Ch 3, sc on chain between the next 2 cluster stitches) 5 times. Ch 3, sc on chain between cluster and dc, then sc on chain between dc and 1st cluster of next group. (Ch 3, sc on chain between the next 2 clusters) 5 times. Ch 3, sc on chain between 6th cluster and sc. Sc again on chain between sc and first cluster of next 4 cluster group.

Work second long side of scarf exactly as for first.

Work second end motif: (Ch 3, sc on chain between the next 2 cluster stitches) 5 times. Ch 3, sc on chain between cluster and dc, then sc on chain between dc and 1st cluster of next group. (Ch 3, sc on chain between the next 2 clusters) 5 times. Ch 3, sc on chain between 6th cluster and sc. Sl st to first sc of round. Round completed.

Round 6:

Work first long side of scarf: Ch 1, [Sc between the two adjacent sc of round below. Ch 2, sc in next 3-stitch chain, (ch 2, picot, ch 2, sc in next 3-stitch chain) 3 times. Ch 2] Repeat a total of 20 times.

Work first end motif: [Sc between the two adjacent sc of the round below, ch 2 sc in next 3-stitch chain (ch 2, picot, ch2, sc in next 3-stitch chain) 5 times. Ch 2.] Repeat twice. Work second long side of scarf identically to the first, omitting initial 'Ch 1'.

Work second end motif identically to the first. Sl st to initial sc of round. Break yarn and pull through. Pattern completed.

Finishing: Weave in ends. Block severely if desired to enhance laciness and evenness of pattern.
