Yarn: 14 skeins Pernilla from Filcolana, 170 m/50 g, colour: 819

Hook: 3 mm (I tend to crochet loosely so you might need to use a larger hook)

Gauge: Note that when using this yarn and this pattern there is a substantial difference in size and appearance before and after washing and blocking. Wash and block your swatch before measuring gauge: 22,5 st and 11 rows = 10 cm.

Finished measurements: 115 cm long, 90 cm wide.

Gauge swatch:

Ch 33

Row 1: 1 dc in the 4th ch from the hook, 1 dc in each ch to end of row, turn.

Row 2: Ch 3 (counts as 1 dc), 1F, 1B to end of row, 1 dc in the top of the ch3, turn.

Row 3: Ch 3 (counts as 1 dc), 1B, 1F to end of row, 1 dc in the top of the ch3, turn.

Repeat Row 2-3 7 times more.

Wah the swatch and let it dry flat.

Measure 10 x 10 cm in the middle of the swatch and count the number of stitches and rows – compare to the given gauge and adjust hook size if needed.

Special abbreviations:

F: Front post double crochet, see last page.

B: Back post double crochet, see last page.

2Ftog: Yarn over, begin a F around next stitch, but stop when there are 2 loops left on the hook, begin a F around next stitch, and stop again at the same point. Now there are 3 loops on the hook. Yarn over, and pull yarn through all 3 loops.

2Btog: Yarn over, begin a B around next stitch, but stop when there are 2 loops left on the hook, begin a B around next stitch, and stop again at the same point. now there are 3 loops on the hook. Yarn over, and pull yarn through all 3 loops.

Note: It might look complicated, but it is really not that difficult. There is a certain logic to the pattern and you will memorize it quickly. To make the written pattern shorter I write "1F" when I mean "1F around next stitch" and "4F" when I mean "1F around each of the next 4 stitches".

PATTERN

Ch 205

Row 1: 1 dc in the 4th ch from the hook, 1 dc in each ch to end of row, turn (202 dc + 3 ch).

Repeat row 5-16 8 times

Repeat row 5-15 once

Rib at top of afghan:

Row 1: Ch 3 (counts as 1 dc), * 1F, 1B, repeat from * until the last 8 st, **2Ftog over the next 2 st**, ** 1B, 1F, repeat from ** twice more, 1 dc in the top of the ch3, turn (note that 1 stitch is decreased on this row, marked in **bold**).

Row 2: Ch 3 (counts as 1 dc), * 1B, 1F, repeat from *

to end of row, 1 dc in the top of the ch3, turn.

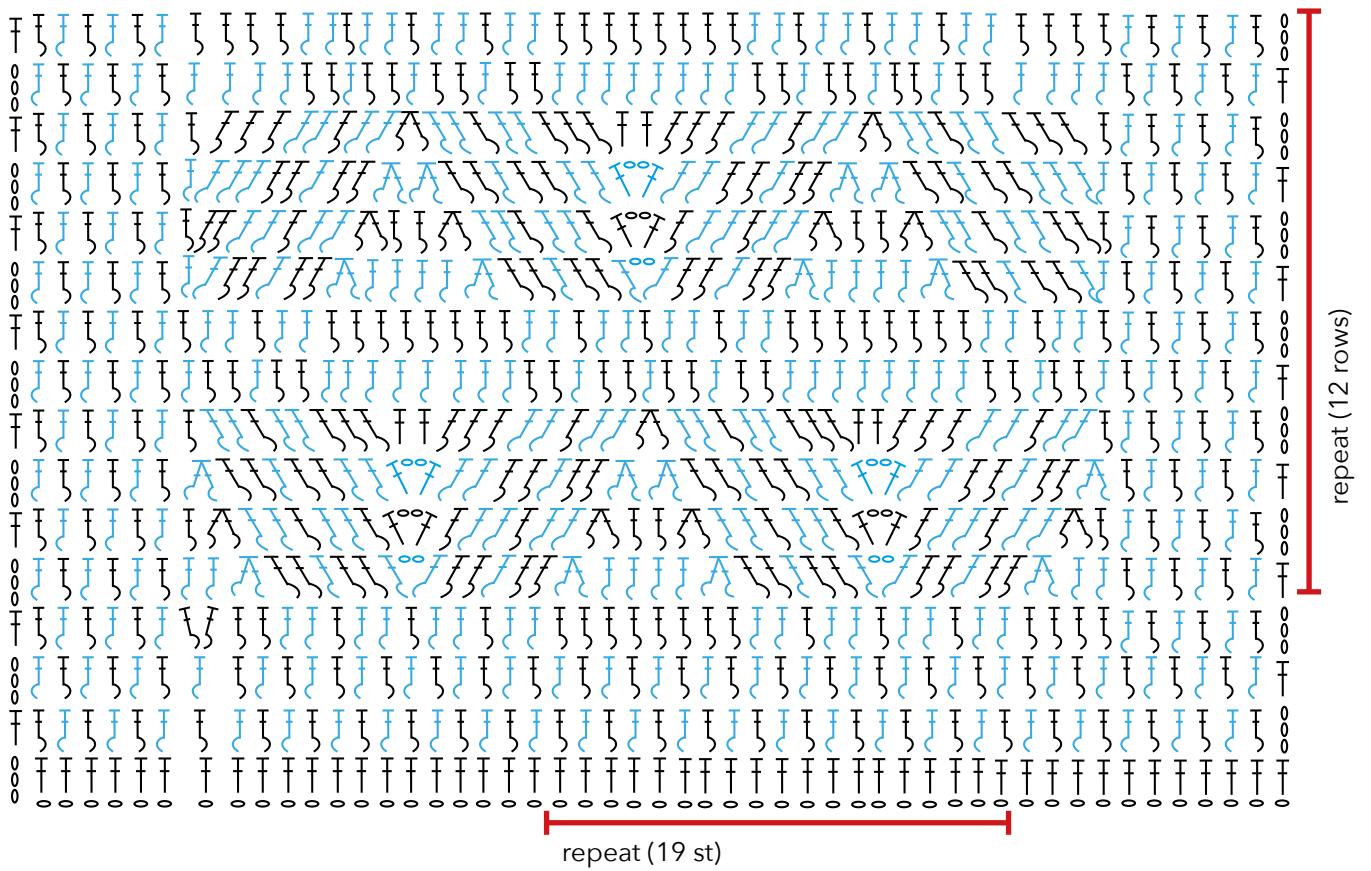

Row 3: Ch 3 (counts as 1 dc), * 1F, 1B, repeat from * to end of row, 1 dc in the top of the ch3, fasten off and weave in ends.

Wash and block to measurements – make sure the edges are straight.

TIP

- The leaf pattern is a multiple of 19. If you want to make a smaller or a larger afghan you need to remove or add a number of chains that is a multiple of 19. You can easily make the rib edging wider by adding an equal number of chains.
- Yardage can be calculated from your gauge swatch. When you know how much yarn you used for 10 x 10 cm, you can multiply this with the measurement you want and calculate how much yarn you will need.

post double crochet

* post stitches can be made from the front or the back.

Begin with a row of dc, turn. Ch 2. Pull at the sides so you can see the post of each stitch. Post stitches are made around the post of the stitch and not into the loops at the top.

Repeat the steps 2-3. The FPdc forms vertical columns on the right side of the fabric.

Yarn over, and skip the first stitch. Insert the hook from the front under the post of next stitch.

* back post dc

Yarn over, and pull yarn through. Now you have 3 loops on the hook. Yarn over, and pull yarn through 2 loops, yarn over, and pull yarn through 2 loops. The first FPdc is done.

BPdc are made in the same way as FPdc except that the hook is inserted from the back of the work around the post.
