ADULT HAT (Finished hat measures 8 ½" tall and 9" wide.)

WITH CC, Ch 94

Row 1 – you'll count the last 3 chains on hk as your first dc and first Ch 1 space, working in the back hump of foundation ch, dc in 5th ch from hk, Ch 1, skip next, *dc in next, Ch 1, skip next, repeat from * around, join with slst around the post of the first dc of row to form a rnd, secure with a stitch marker and drop CC. (46 dc)

Note: When counting out your 46 dc for Row 1, remember to count the turning (or beginning) chain. When complete with Row 1, there should be one unworked st at the end of the row.

Note: When you start a new Rnd, it's very important to make sure that your marked st and dropped yarn are to the front of your work and not wrapped around or behind sts. See pics C & D.

WITH MC

Rnd 2 – pull up a lp of MC through the first skipped st of Row 1, Ch 4 (count as first tr and Ch 1 space, *tr in next available st of Rnd 1, Ch 1, repeat from * around, join with slst around post, secure with a stitch marker and drop MC. (46 tr) *At this point, I suggest using your CC tail to sew together the foundation chain and weave in your tails.*

Note: From here on, MC will only work onto the previous MC rnd and CC will only work onto the previous CC rnd.

Note: Just another quick reminder, make sure that you keep your st and working yarn to the front of your work.
