Gauge

2" = 4 rows and 8 sts in dc

Gauge is not essential as a wrap that is larger or smaller will still fit nicely, and the pattern is also easily adjustable in both width and height. When gauge is met, the wrap will measure approximately 21" wide and 66" long.

Materials

4.00mm (G) hook

Lana Grossa Linea Pura Solo Lino, 490 yds (4 skeins)

Abbreviations

US terms used throughout

st/sts = stitch/stitches

ch = chain

sc = single crochet

dc = double crochet

tr = triple crochet

fdc = [foundation double crochet](#)

dc3tog = [dc 3 together](#)

sk = skip

FO = fasten off

Notes

[Chainless starting double crochet](#) and [chainless starting triple crochet](#) are recommended instead of a traditional turning chain. The pattern simply lists a dc or tr; you can use a regular turning chain or whichever alternative you prefer.

Repeat stitches between the asterisks the indicated number of times.

Turn at the end of each row.

Foundation crochet is recommended, however if you are not comfortable with foundation crochet a regular chain can be used instead. Both variations are listed in the pattern; choose whichever version you'd like to work.

Some rows can be worked in multiple ways and/or have instructions that vary significantly by size. In those cases, both options are labeled with the same number and separated with an OR.

Some sts are worked into the ch-st and some are worked into the ch-space. Keep an eye out for the instructions - you will get a different look if you don't work the pattern as stated.

A stitch followed by a number is just a streamlined way of saying to work that st in the indicated number of stitches. For example, dc 7 means to work one dc in each of the next 7 sts. A number before the st indicates the number of stitches to be worked in the same st. For example, 3 dc means to work 3 dc into the next st.

The wrap is worked as a mirror image. After the first three rows, there are five sets of circles, five sets of lace, one circle, one lace, and then three circles. The middle of those three circles is the center row of the shawl. After that, there's one lace, one circle, five sets of lace, five sets of circles, then the last three rows. The edging is worked from the last row with FO, and then the yarn is cut and attached to the first row to work the rest of the edging. Notes are included throughout the shawl for adding extra rows of lace and circles wherever you'd like, and there are also notes explaining the mirror imaging so you can customize and still make it match up.

The lace sections should block out. If you find they're too tight, you may want to go up a hook size for those rows.

Row 1: fdc 79 - 79 fdc total

OR ch 82, dc in fourth ch from hook and each ch across - 79 dc total *For a wider/narrower wrap, work 8 more/fewer sts - every 8 sts is one extra pattern repeat in the body of the wrap.*

Row 2: dc in first dc, *ch 1 & sk 1 dc, dc in next dc* thirty-nine times - 79 sts total

Row 3: dc in first dc, *dc in ch-1 space, dc in dc* thirty-nine times - 79 sts total

Row 4: tr in first dc, *ch 7 & sk 5 dc, dc 3* nine times, ch 7 & sk 5 dc, tr in last dc - 99 sts total

Row 39-42: repeat row 25-28
To add extra repeats of just one diamond surrounded by lace, repeat rows 37-42.

Row 43-44: repeat row 37-38

Row 45-48: repeat row 5-8
*For additional diamonds across the center, work additional repeats of rows 5-8.
Row 46 marks the center of the shawl. Row 47-48 mirror image row 44-45.*

Row 49-52: repeat row 25-28
*This is the mirror image of row 40-43.
If you added extra repeats of just one diamond surrounded by lace, do the same here.*

Row 53-54: repeat row 37-38
This is the mirror image of row 38-39.

Row 55-58: repeat row 25-28
This is the mirror image of row 34-37.

Row 59-66: repeat row 27-28 an additional four times, for a total of 66 rows in the shawl.
Or, repeat row 27-28 as desired for length.
This is the mirror image of row 26-33. If you worked additional lace repeats when working row 26-33, work additional repeats when working row 59-66.

Row 67-68: repeat row 37-38
This is the mirror image of row 24-25.

Row 69-88: repeat row 5-8 five times, for a total of 88 rows in the shawl. Or, repeat row 5-8 as desired for length, ending on a repeat of row 8.
This is the mirror image of row 4-23. If you added extra repeats of row 5-8, do the same here.

Row 89: dc in first tr, *5 dc in ch-7 space, dc 3 in 3 dc* nine times, 5 dc in ch-7 space, dc in last tr - 79 sts total
This is the mirror image of row 3.

Row 90-93: repeat row 2-5

This is the mirror image of row 1-2. Row 92-93 are the edging. To skip the edging and use the solid row as an edging, end the shawl after row 91.

FO. Attach the yarn to the first dc worked, using a [chainless standing double chain](#). Repeat row 4-5 to create the edging.

This is the mirror image of the edging worked in row 92-93.

FO, weave in ends, & enjoy!
