

Big Bold Cabled Cowl

Designs by Jennifer Pionk aka A Crocheted Simplicity ~ All Rights Reserved.

Materials

- Yarn: Medium Worsted Weight / 4 (less than 200 yards) **See note below
- Crochet Hook: J/10/6.00mm
- Yarn Needle
- Stitch Marker

Experience Level

- Easy

Gauge

- In esc: 7.5 sts X 7.5 rows = 3"

Sizing

- One Size: 22-1/4" Circ. X 8-1/2" H
- Includes tips for increasing circumference & height

Notes:

- Beginning ch(s) are not included in st count unless noted otherwise.
- I tend to crochet on the tighter side. You may find yourself needing to go down a hook size (or two) to properly meet gauge.
- First st of each row is worked into the same st as beginning ch, unless stated otherwise.
- Plymouth Yarn's Encore Colorspun in Wheatfield & Vanna's Choice was used for the prototype shown in the photo on page 1. You can use another Medium WW yarn as long as it's similar in thickness and you match gauge. I believe that light WW yarns such as Caron Simply Soft may be too light for this design.

Stitch Guide

- ch: chain
- sl st: slip stitch
- sc: single crochet
- fpdc: front post double crochet
- fpdc2tpg: front post double crochet decrease
- FPdbltr: front post double treble
- st(s): stitch(es)
- yo: yarn over
- esc: extended single crochet
- csc: chainless single crochet *tutorial page 3
- MC: Main Color; CC: Contrasting Color

Special Stitches

- **Extended Single Crochet (esc):** Insert hook into stitch indicated, yo, pull up a loop, yo, pull thru 1 loop on hook, yo, pull thru remaining 2 loops on hook.
- **Front Post Double Treble Crochet (FPdbltr):** Yo 3 times, insert hook from front to back around post of indicated st, yo, pull up a loop (5 loops on hook), (yo, pull thru 2 loops) 4 times.

Big Bold Cabled Cowl

- This cowl begins in rows then changes to continuous rounds when noted.
- I've included color changes if you'd like to work your cable in a contrasting color. If not, simply ignore them and work every stitch in your main color.
- All color changes (if desired) are worked in the last pull thru of the last st worked in the old color.
- If you do decided to use a contrasting color for the cable, and you decide to carry your yarn (as opposed to fastening off every round), make sure not to pull your floats tight behind your cable or it will cause your cable to pucker.
- The instructions written below are for a cowl with a finished circumference of approximately 22-1/4". If you'd like a larger cowl, simply work more csc (or chains) at the end of Row 2 until you reach desired circumference. If you'd like a taller cowl, simply repeat rows 5 thru 10 until you have the desired height.

Row 1: (CC) Ch 19, sc in 2nd ch from hook, sc in each ch across. – 18 sts

Row 2: (CC) Ch 2, Turn, fpdc2tog around next 2 sc, fpdc around next 2 sts, fpdc2tog around next 2 sts, fpdc around next st, [fpdc2tog around next 2 sts] work from [to] 2 times, fpdc around next st, fpdc2tog around next 2 sts, fpdc around next 2 sts, fpdc2tog around last 2 sts, (MC) ch 2, then work 52 csc. ***If you do not want to work csc, you can also work a regular foundation ch of 52, but make sure to chain loosely.* Do Not Join, but rather continue on in continuous rounds by placing a st marker in the 1st st of each new round and moving it up as you complete a round. – 64 sts

Rounds 3 & 4: (CC) FPdc around next 12 post sts, (MC) esc in each st around. – 64 sts

Round 5: (CC) Skip next 6 sts, FPdbltr around next 6 fpdc, working in front of FPdbltr just worked, FPdbltr around 6 skipped fpdc, (MC) esc in remaining 52 sts. – 64 sts

Rounds 6 thru 10: (CC) fpdc around next 12 front post sts, (MC) esc in remaining 52 sts. – 64 sts

Rounds 11 thru 22: Repeat Rounds 5 thru 10. – 64 sts

At the end of Round 22, join w/ a sl st to the 1st st of the round.

Fasten off. Weave in ends. Continue below to Finishing.

Finishing ~ This gives the cable the flared look on the bottom.

- Using a yarn needle and yarn tail from the foundation ch, sew the corner of the cable to the 3rd st to the right. Then come up thru the side of the st from Row 2 and back down thru the cowl where it will lay nicely.
- Using a yarn needle and 8" piece of yarn, repeat for the opposite corner of the cable.

Chainless Single Crochet Foundation (csc)

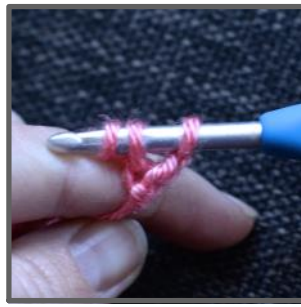

When using this technique, you'll be working your beginning foundation chain and most of row 3 at the same time. This technique produces a more stretchy edge and also a different appearance than the typical foundation chain method.

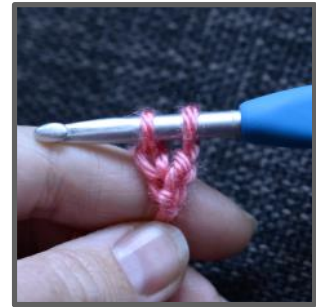

Ch 2

Insert hook into 1st ch, yo, pull up a loop

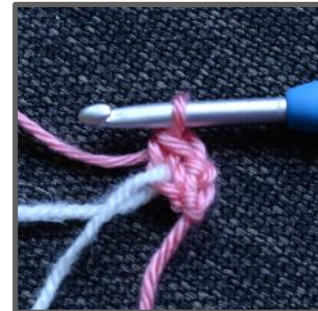

YO

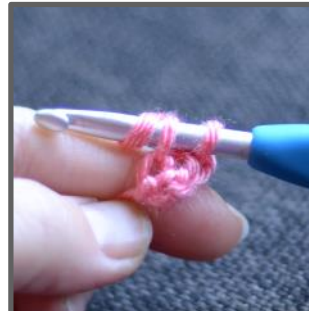

Pull yarn through 1st loop on hook (this creates the ch 1 that you'll work your next stitch into)

YO

Pull through both loops on hook (white yarn shows where to insert your hook to begin the next csc)

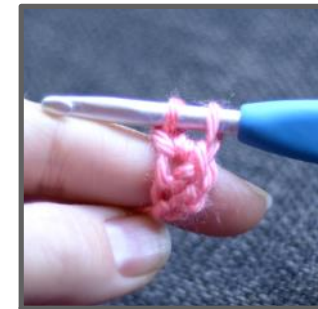

**Insert hook, yo

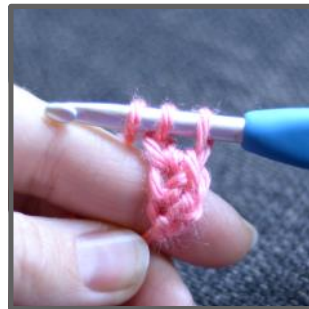

Pull up a loop

YO

Pull through one loop

YO

Pull through both loops on hook**

Repeat from **to **until you've completed the required number of chainless single crochets.

Photo to the Left shows 10 chainless single crochets completed.
