Pattern Notes:

- 1- The beauty of knitted embossed leaves has been “translated” to crochet in this ***Embossed Leaves Vortex Shawl***. This pattern is rated as intermediate. The shawl is worked from the bottom up and skills required to complete this project are: crocheting in the rows, chain (ch), slip stitch (sl st), single crochet (sc), double crochet (dc), V-stitch (**in this pattern, the V-st is made of: hdc 1, ch 1, hdc 1**), front post double crochet (FPdc) and back post double crochet (BPdc).
- 2- The shawl showcased on sample pictures measures 28” (71 cm) wide by 42” (107 cm) long, which is on the short side for a shawl or let’s call it a shawllette. If you prefer a larger shawl, the pattern can be easily increased. Instructions for size customization will be provided.

Instructions for Customization

For a larger shawl, after Row 78, just Rep Row 13 – Row 34 twice, then rep Row 13 – 23 once and finish by rep Row 90 – Row 99. Stitch count will only increase on V-st section of shawl.

For a larger shawl you'll need a second yarn cake.
