Welcome to another Bonita Patterns Crochet Along!

You've asked, you've inspired, I've designed it!

When I launched my first Mystery Shawl CAL, I asked members of our [Facebook CAL Group \(join here, if you haven't yet\)](#) to guess the shape of the shawl and an astonishing number guessed and wanted to crochet a vortex shape. Well... it wasn't. It was a winged shape.

I have been long drooling over the knitted vortex shawls and wanting a comparably beautiful crochet design. I'm biased, but I think I'm in love with this one, especially because it was kind of magical to watch the shape magically appear just by increasing and decreasing on the right spots.

A Note about Shawl Size Options:

The shawl showcased on sample pictures measures 28" (71 cm) wide by 42" (107 cm) long, which is on the short side for a shawl or let's call it a shawlette. If you like a more generous size shawl, I will give instructions to customize it, just make sure to double on the yarn required. Please check specifics under supplies list.

CAL Schedule:

This CAL schedule is as follows:
