Pattern Notes:

1. The beauty of knitted cable leaves has been “translated” to crochet in this ***Embossed Garden Handbag***. The bag is made of two motifs in the crocheted in rounds and later connected with rows of single crochet to create depth on the sides. This pattern is rated as intermediate. The skills required to complete this project are: crocheting in the round (rnd), chain (ch), slip stitch (sl st), single crochet (sc), double crochet (dc), V-stitch (V-st: dc 1, ch 1, dc 1), front post double crochet (FPdc) and back post double crochet (BPdc). Side Band Instructions (Optional)

Note: At this point you have 2 motifs of embossed leaves pattern that make the front and back of your handbag. Now, you will create a side band in single crochet that will be joined to the two motifs and create depth to your purse. If you wish, you can skip this step and just join the two motifs with slip stitches or joining technique of your preference. However, your handbag will be flatter and not have the same depth as shown in side pattern pictures. When joining, both embossed leaves' pattern on motifs should be facing out.

Ch 132

Row 1: Sc in 2nd ch from hook, sc in each ch across; turn. – (131 sc)

Row 2 – Row 10: Ch 1 (doesn't count as sc here and throughout), sc in each sc across.

Joining Side Band to Handbag

In one of the motifs, beginning from first st, count 72 sts clockwise and attach yarn to 72nd st (this is the top left corner st. See picture below).

Top left corner. Attach yarn here with right side of work facing you.

First stitch. Count 72 sts clockwise.

Assembling side to handbag: Hold last row of one motif with embossed leaves facing you where you marked the 72nd st (top left corner) and hold first stitch of large edge of side bar against it. Working through both stitches, ch 1, sl st in first st and in next 130 sts, until you finish all stitches of side bar and reach the top right corner st. Fasten off. Repeat for the second motif to complete the handbag.

Handles: make two using same instructions.

With crochet hook size H (5.00 mm)

Ch 141

Row 1: Sc in 2nd ch from hook, sc in each ch across. – (140 sc)

Row 2 – Row 6: Sc in 2nd ch from hook, sc in each ch across. **Fasten off.** – (140 sc)

Finishing handles: Fold piece so first row is aligned to last row, Working through both stitches, ch 1, sl st in first st and in next 139 sts – (140 sc). Roll the end of each handle up 8 in (20 cm) and tack roll section with a few sewn stitches made with yarn needle and yarn (see pics below).

Finishing:

Join yarn to any st of top edge (handbag opening) and sc in each st around for a polished look.

Button Placement (Optional) :

Sew large toggle button on center point at top. Use the ch-1 sp on the opposite side as a buttonhole.

Sew on button inside handbag center point at top.

Ch-1 sp on opposite side as buttonhole.
