

Kalinda Blanket

Materials & Tools:

1. **Yarn** Scheepjes Whirl 215g = 1000m, 60% Cotton, 40% Acrylic, 1 cake. For the blanket sample I used Indigo Plane (553) colorway.
2. **Hook size** 3.5mm. Adjust hook size if necessary to obtain correct gauge,
3. Tapestry needle (to weave and hide yarn ends),
4. Scissors,
5. 4 stitch markers.

Level: Intermediate.

Size after blocking:

Approx. 80cm x 80cm (31.5" x 31.5")

Gauge after blocking:

After round 11, measures 20cm (8").

Gauge is not crucial for this project, however, changes might result in a different yardage requirements and the finished size.

Notes:

- The pattern uses US crochet terminology.
- Kalinda Blanket is a one-piece baby blanket worked in the round from the center out but after each

round you will turn your blanket and work on the backside.

- Each round builds on the next, and each round starts in the corner chain space.
- Place the stitch marker in every ch-1 sp corner.
- Pay special attention to row 5 and 6. There are nested brackets {...} which include a square bracket [...] inside.
- Instructions in square brackets [...] or in {...} are worked as many times as indicated.
- After the written instruction, you can find the stitch counting for some rows.
- This pattern can easily be adapted to use heavier weight yarn and/or additional rows to make desired size.
