The pattern uses US terms

Yarn: Anina from Filcolana (210 m/50 g) 1, 2, 3, 3 skeins. The hats in the picture are in the colors 954 (adult) and 333 (6 months)

Hook: 2,5 mm for the rib, 3 mm for the rest of the hat

Sizes: 6 months, 1-3 years, large child, adult

Circumference: 35, 42, 49, 56 cm

Gauge: Measured in the rib pattern: 27 st, 20 rounds = 10 cm.

Special abbreviations:

FPdc: Front post double crochet, photo tutorial on the last pages.

BPdc: Back post double crochet, photo tutorial on the last pages.

2FPdctog: Yarn over, begin a FPdc around next st but stop when there are two loops left on the hook, begin a FPdc around next st and stop again at the same point – now there are three loops on the hook. Yarn over, and pull yarn through all three loops.

2BPdctog: Made like 2FPdctog, but using BPdc instead of FPdc.

Fdc: Foundation double crochet, photo tutorial on the last pages.

Fdc can be replaced with a foundation chain and a round of dc, but there is a risk that it will be too tight around the head.

NOTE: This pattern is long, but that does not mean that the hat is very difficult to make. There is a certain logic to the pattern. Except from in round 7, the FPdc is allways made around a FPdc, and BPdc allways around a BPdc. To make the pattern a bit shorter I have chosen to write "1 FPdc", when I mean "1 FPdc around next st" and "3 FPdc", when I mean "1 FPdc around each of the next 3 st".

All rounds are finished with a sl st in the 3rd of the ch 3 from the beginning of the round.

PATTERN

93, 113, 131, 151 Fdc using hook 2,5 mm (the ch 3 from the beginning counts as the 1st Fdc, join to a ring with a sl st in the 3rd of the 3 ch (94, 114, 132, 152 Fdc).

1st round: Ch 3 (counts as 1 BPdc here and in

the rest of the pattern), * 1 FPdc, 1 BPdc*, repeat from * to * to end of round, end with 1 FPdc around the last st.

2nd round: Ch 3, * 1 FPdc, 1 BPdc*, repeat from * to * to end of round, end with 1 FPdc around the last st.

Repeat 2nd round. 3, 6, 5, 7 times more.

Now the rib is done, change to hook 3 mm.

1st round: Ch 3, 1 BPdc, * 1 FPdc, 2 BPdc, 8 FPdc, 2 BPdc, 1 FPdc, 2 BPdc, 1 FPdc #, 2 BPdc*, repeat from * to * to end of round – in the last repeat stop at #.

2nd round: Ch 3, 1 BPdc, * 1 FPdc, 2 BPdc, 2FPdctog over the next 2 st, 4 FPdc, 2FPdctog over the next 2 st, 2 BPdc, 1 FPdc, 2 BPdc, (1 FPdc, ch 2, 1 FPdc) around next FPdc #, 2 BPdc*, repeat from * to * to end of round – in the last repeat stop at #.

3rd round: Ch 3, 1 BPdc, * 1 FPdc, 2 BPdc, 2FPdctog over the next 2 st, 2 FPdc, 2FPdctog over the next 2 st, 2 BPdc, 1 FPdc, 2 BPdc, 1 FPdc, (1 dc, ch 2, 1 dc) in ch space, 1 FPdc #, 2 BPdc*, repeat from * to * to end of round – in the last repeat stop at #.

4th round: Ch 3, 1 BPdc, * 1 FPdc, 2 BPdc, (2FPdctog over the next 2 st) twice, 2 BPdc, 1 FPdc, 2 BPdc, 2 FPdc, (1 dc, ch 2, 1 dc) in ch space, 2 FPdc #, 2 BPdc*, repeat from * to * to end of round – in the last repeat stop at #.

6th round: Ch 3, 1 BPdc, * 1 FPdc, 2 BPdc, 1 FPdc, 2 BPdc, 8 FPdc #, 2 BPdc*, repeat from * to * to end of round – in the last repeat stop at #.

7th round: As 6th round.

8th round: Ch 3, 1 BPdc, * 1 FPdc, 2 BPdc, (1 FPdc, ch 2, 1 FPdc) around next FPdc, 2 BPdc, 1 FPdc, 2 BPdc, 2FPdctog over the next 2 st, 4 FPdc, 2FPdctog over the next 2 st #, 2 BPdc*, repeat from * to * to end of round – in the last repeat stop at #.

- ch - chain
- sl st - slip stitch
- ┆ dc - double crochet (US terms)
- ┆ FPdc - front post dc (US terms)
- ┆ BPdc - back post dc (US terms)
- ┆ 2FPdctog - 2 FPdc together (US terms)

The chart can only be used as a support for the written pattern. It does not show every round. I have made all BPdc blue to make it easier to read from the chart.

foundation double crochet (FDC)

* a foundation with great elasticity

Ch 3, yarn over, insert hook in 3rd ch from the hook and pull yarn through.

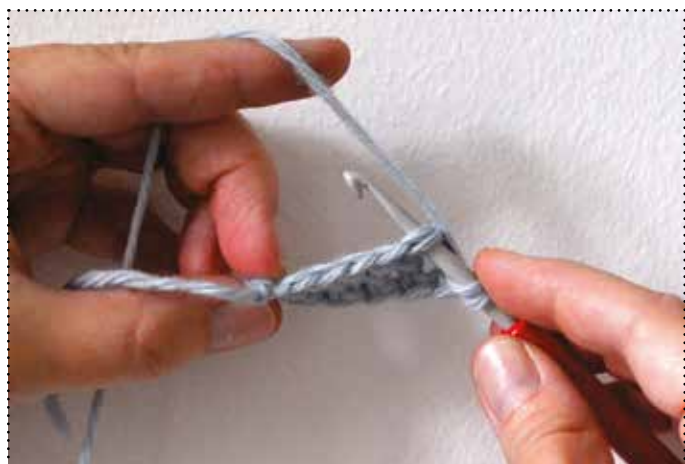

Yarn over, and pull yarn through the first loop on the hook (step 1). Note that it is this "chain" that you will make the next fdc into. Place a marker in the st if it is your first time.

Continue as for a normal dc - (yarn over and pull through 2 loops) twice (step 2).

When beginning the next Fdc, insert the hook under 2 loops of the "chain" you made in step 1. The first loop is easy to see, the other is a bit behind the first. Repeat step 1 and 2.

Continue like this inserting the hook under two loops and you will get a beautiful edge on the lower side of the foundation - that matches the upper side.

This foundation has much more elasticity than a normal chain.

post double crochet

* post stitches can be made from the front or the back

Begin with a row of dc, turn. Ch 2. Pull at the sides so you can see the post of each stitch. Post stitches are made around the post of the stitch and not into the loops at the top.

Repeat the steps 2-3. The FPdc forms vertical columns on the right side of the fabric.

Yarn over, and skip the first stitch. Insert the hook from the front under the post of next stitch.

Yarn over, and pull yarn through. Now you have 3 loops on the hook. Yarn over, and pull yarn through 2 loops, yarn over, and pull yarn through 2 loops. The first FPdc is done.

* back post dc

BPdc are made in the same way as FPdc except that the hook is inserted from the back of the work around the post.
