ADULT AUDREY BOOTS

MATERIALS

I hook
L hook
Bulky Yarn
Four 1" buttons
Yarn Needle
Scissors
Stitch Marker (optional)

GAUGE (with I hk): 7dc and 4 rows = 2" square
(also see finished sole measurements)

YARN NOTES

I used Lion Brand Jiffy in Café and Camel.
Each skein of Jiffy is 3 oz/85g; 135 yd/123m
You need:

2 skeins MC (3 skeins MC for size 9-10)

1 skein CC (2 skeins CC for size 9-10)

Note: Some were able to get the correct gauge with heavy worsted weight yarns such as Red Heart Super Saver, With Love, Caron 1 pound, Loops and Threads Impeccable and the like.

PATTERN NOTES

Pattern is worked from sole and up. The beginning ch does not count as a stitch.

JOINING: You will always work the first st of every rnd into the first st of the previous rnd and you will always join with a slst to the first st of every rnd (yes! you will work both your join and your first st into the first st of the previous rnd).

Fun to know: A woman size 3-4 is the equivalent to a child size 1-2.

Good to know: when working in raised rnds, the front and back loops will be located to the right of their post.

Third Loop – The third lp runs behind and parallel to the back lp (see pg. #7).

Hdc2tog – (*I do these a little different, I think this way looks a little nicer.*)

Yo, insert hk into indicated st, yo and pull up a lp, yo and pull through two, yo and insert hk into next st, yo and pull up a lp, yo and pull through all lps on hk.

Dc3tog – yo, insert hk into indicated st, yo and pull up a lp, yo and pull through two, *yo and insert hk into next st, yo and pull up a lp, yo and pull through two, repeat from * one more time, yo and pull through all remaining lps on hk.

Dc5tog – yo, insert hk into indicated st, yo and pull up a lp, yo and pull through two, *yo and insert hk into next st, yo and pull up a lp, yo and pull through two, repeat from * three more times, yo and pull through all remaining lps on hk.

THIRD LOOP and SECOND SOLE HELP

Here you can see the front and back lps clearly.

This is showing the back side of my fabric. It looks like I'm still looking at the front and back lps but this is actually the back lp and third lp. The third lp is easy to find!

This pic is just showing the first couple sts being worked into the third lp, leaving the front and back lps unworked.

Stripes look great too!! Once you switch to your L hk and turn your work, start alternating colors.

Turn boot upside down and place second sole on top (wrong side facing down). Insert hk under the back and front loops of two of the same sole sts, yo and slst.....

Continue joining your sole by working slsts around entire sole.
