J and I hook (6 mm/5.5 mm)
Worsted Weight Yarn
Yarn Needle
Scissors

GAUGE (with J hook)

12 tr and 4 rows = 4" square

YARN NOTES

I used 1 skein of Lion Brand Wool Ease for MC
& 1 skein of Lion Brand Amazing for CC.

Each skein of Wool Ease is:
3 oz. (85 g.) / 197 yds. (180 m)

Each skein of Amazing is:
1.75 oz. (50 g.) / 147 yds. (135 m)

COLORWAY

MC – Wool Ease in Forest Heather, CC – Amazing in Aurora

YARDAGE

MC – 100 yds, CC – 85 yds. (185 yds. total)

PATTERN NOTES

You will count your turning ch as a st. Pattern starts at brim and works up to crown.

If you see an underlined Rnd, this means that there is a picture (or pictures) to view for this rnd on pages 5, 6, or 7.

Tip: Try subbing the foundation chain and row 1 with a row of foundation single crochet. Foundation single crochet creates a foundation ch that is stretchy and works great for hats that start at the brim! If you choose to do this, work a row of 70 foundation sc with an I hk, join it together with a slst to form a rnd, and you'll be ready to begin Rnd 2.

STITCH HELP

Front Cable Twist – skip next current color post st, fptr in next, Ch 1, take a peek back at the st you just skipped and work a fptr into that skipped st (being sure to work the second fptr in front of the first), Ch 1.

Back Cable Twist – skip next current color post st, fptr in next, Ch 1, take a peek back at the st you just skipped and work a fptr into that skipped st (being sure to work the second fptr behind the first), Ch 1.

HAT (Finished hat measures 8 ½” tall and 9 ½” wide.)

WITH MC, Ch 71

Row 1 – *For this row only, use an I hk*, working in the back hump of foundation ch, sc in 2nd ch from hk and in each ch across, join with slst to first sc of row to form a rnd. (70)

Rnd 2 – *with J hk*, Ch 3, (count as first dc and Ch 1 space), skip next, *dc in next, Ch 1, skip next, repeat from * around, join with slst around post of beginning ch, secure rnd with a stitch marker and drop MC. (35 dc)

Note: When you start a new Rnd, it's very important to make sure that your marked stitch and dropped yarn are to the front of your work and not wrapped around or behind sts. See the fourth picture on pg. 5 for visual help.

WITH CC

Rnd 3 – pull up a lp of CC through the first skipped st of Rnd 1, Ch 4 (count as first tr and Ch 1 space), *tr in next available st of Rnd 1, Ch 1, repeat from * around, join with slst around post, secure with stitch marker and drop CC. (35 tr)

Note: Just another quick reminder, make sure that you keep your st and working yarn to the front of your work.

Note: From here on, MC will only work onto the previous MC rnd and CC will only work onto the previous CC rnd.

PICK UP MC

Rnd 4 – Ch 4, working onto MC rnd below, fptr in next, Ch 1, work Front Cable Twist, *(fptr in next, Ch 1) three times, work Front Cable Twist, repeat from * up to last current color post st, fptr in next, Ch 1, join, secure, and drop. (7 cable twists made)

PICK UP CC

Rnd 5 – Ch 4, working onto CC rnd below, (fptr in next, Ch 1) around, *Note: You will need to pull up the post through the top of each cable twist*, join, secure, and drop. (35 fptr)

PICK UP MC

Rnd 6 – Ch 4, (work Back Cable Twist) twice, *fptr in next, Ch 1, (work Back Cable Twist) twice, repeat from * around, join, secure, and drop.

Note: For the last 2 rnds, notice that you will not ch 1 between your fptr.

PICK UP CC

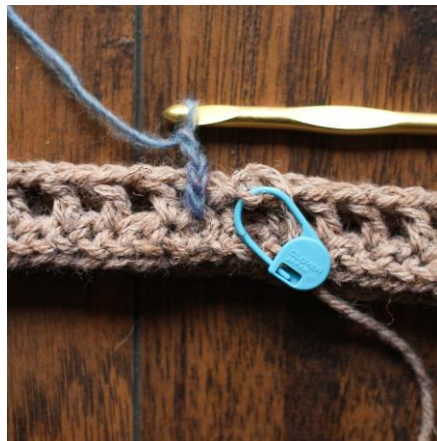

Rnd 25 – Ch 3, skip first fptr that is in-between the MC decrease, *fptr in next 2, skip next fptr that is in-between the MC decrease, repeat from * up to last current color post st, fptr in last, join and fasten off. (14 fptr)

PICK UP MC

Rnd 26 – Ch 3, fptr in each st around, Note: *You will be working a fptr around the decreases*, join and fasten off leaving a long enough tail to sew crown closed. (14 fptr)
To sew crown closed, I weave my tail around the opening and cinch tight.
Weave in all ends.

Rnd 3 – I’ve inserted my hk and I’m ready to pull up a lp of CC.

Rnd 3 – I’ve joined my CC around the post of my beginning ch. Notice that my MC lp and yarn are in the front of my work and not around or behind any st.

Rnd 4 – I’ve picked up MC and ready to work next st.

Rnd 4 – Again, notice that my dropped lp and yarn are both at the front of my work.

Rnd 4 – Front Cable Twist
I've skipped a st and I'm ready to work the st I just skipped.

Rnd 4 – Front Cable Twist
I've grabbed my skipped st and I'm ready to complete my fpstr.

Rnd 4 – Front Cable Twist
Notice that the second fpstr of the Front Cable Twist is on top (front).

Rnd 5 – I will insert my hk in between the top the twist and pull out my CC post.

Rnd 5 – Here you can see that I've Pull out my CC post and I'm ready to complete my fpstr (see next pic)

Rnd 6 – Back Cable Twist
I've skipped a st and I'm ready to work the st I just skipped.

Rnd 6 – Back Cable Twist
This can be a little tricky. You'll need to go under your first fpstr, grab the skipped st, and complete the next fpstr.

Rnd 6 – Back Cable Twist
Notice that the second fpstr of the Front Cable Twist is behind the first (back).

Rnd 6 – Back Cable Twist
Here you can see the first two Back Cable Twists complete.
