Round 31: ch 1 and hdc in same sp, hdc in next hdc and around, join by sl st in first hdc (180 st)

Round 32: ch 1 and hdc in same st, hdc in next 7 hdc, 2 hdc in next hdc, *hdc in next 8 hdc, 2 hdc in next hdc*, repeat from * to *, join by sl st in first hdc (200 st)

Round 33: ch 1 and hdc in same sp, hdc in next hdc and around, join by sl st in first hdc (200 st)

Round 34: ch 1 and hdc in same st, hdc in next 8 hdc, 2 hdc in next hdc, *hdc in next 9 hdc, 2 hdc in next hdc*, repeat from * to *, join by sl st in first hdc (220 st)

Round 35: ch 1 and sc in same sp, sc in next sc and around, join by sl st in first hdc (220 st)

Round 36 is where you will add the millinery wire. Start crocheting the yarn as you normally would just yarning over the wire and continue this until you get about 3 inches from the end. At this point try to gauge how much wire you will need to finish off the hat. Cut the wire and unravel a small portion of the rayon from each side of the wire exposing the silver. This is the portion that you insert into the joiner and using pliers clamp the ends tight. Finish crocheting the remainder of the hat and fasten off. See Round 36 instructions below:

Round 36: Position wire in place, ch 1 and sc around wire in same sp, sc around wire in next sc and around, join by sl st in first sc (220 st)

Insert hook into st with wire lying on top of st

Unravel a small portion of the rayon exposing the wire on both ends.

Insert each end of the wire into the joiner.

Using pliers, apply pressure to secure the wire into the joiner being careful not to cut the joiner.

Round 37: ch 1 and sc in same sp, sc in next scc and around, join by sl st in first sc, Fasten off leaving a long tail. (220 st)

The long tail is to weave along the join to cover it up. Run the yarn along the top side of the wire and then do the same thing for the underside. The yarn will help disguise the silver join. Weave in remaining yarn and finish off.
