Notes

This pattern is worked as one piece, with four color segments to create a fading effect. Note colors used at beginning of each segment. The stitch pattern is a lace row followed by a solid row. All turning chains are counted as sts, work into top-tch at the end of row unless otherwise instructed. Check stitch counts!

Finishing

Weave in ends. To block: Either, soak completely in warm water with a wool wash, and squeeze out excess water OR place in front loading washer machine alone, set to rinse and spin cycle on warm water with wool wash. Then, stretch shawl to shape using blocking wires or pinning every 1/2". This pattern opens up and benefits from a hard block, don't be afraid to stretch. Leave 24 hours to dry, remove pins and enjoy!
