

*Morning mist on crispy leaves
Frost on trees
A white blanket on the ground still
Where the sun did not reach*

*Come down spring
Finally
Picking flowers
Only me*

*Warmed by spring first light
Golden hues a pretty sight*

*The trees all bloom
Summer soon
Picking flowers
Just us two

Gauge

Pattern for gauge (with 3,5 mm (E/4) hook):

Setup row: ch 30, begin in second ch from hook; 1 sc in each ch across, ch 1, turn.

R1: 1 sc in first sc, *ch 2, sk next sc, 1 sc in next sc* rep to end, ch 1, turn.

R2: *ch 2, sk next sc, 1 sc in next ch-sp* rep until the last sc, ch 2, 1 sc in last sc, ch 1, turn.

R3: sk the first sc, 1 sc in first ch-sp, *ch 2, sk next sc, 1 sc in next ch-sp* rep to end, ch 1, turn.

Repeat R2 and R3 until you have at least 20 rows in total. Note that the swatch will be wider than 10 cm/4" with this pattern, so you can measure the gauge accurately.

10x10 cm (4x4") = 10 sc and 10 ch-sp x 20 rows before blocking

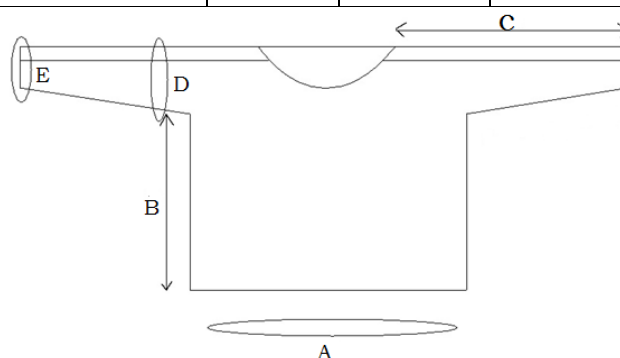

10x10 cm (4x4") = 9 sc and 9 ch-sp x 18 rows after blocking. Wash your swatch like you would wash your sweater. Stretch it lengthwise and widthwise and pin it down to the correct gauge. Only measure gauge AFTER it's completely dry and with the pins removed.

Notes about the fit

- The sleeves have a little negative ease so it fits snugly around your arm. Please know that the given measurements are smaller and that the sleeve will stretch when you're wearing the sweater.
- The armhole is supposed to fit your upper arm, not your shoulder, because the shoulder comes down past your shoulder point.
- After you've finished the neckline it might seem very wide, but the neckband will pull it all together. If you are unsure of the fit, you can crochet the neckband right after you finish the neckline, to test how it fits.

Tips & tutorials

- When you work in the round, the loop of the stitch is positioned BEFORE the post of the stitch. (see this tutorial: <http://www.lookatwhatimade.net/crafts/yarn/crochet/crochet-tutorials/crochet-corners-elusive-hidden-stitch/>) When you work flat, the loop of the stitch is positioned AFTER the post of the stitch.
- Weave in your ends as you go, your future self will thank you ☺
- When the pattern talks about left and right, it means how the sweater is worn, not how you look at it when you lay it in front of you.

R2 (RS): sl st to the next ch1-sp, ch 3 (this does not count as a stitch), *5dc-cl in ch1-sp, ch 4, sk 2dc-cl* rep between * * 7 times more, close off with a sl st into the first 5dc-cl.

Repeat R 1, 2 and R3(joining) until you have a strip with 5, (6, 6, 6, 7) motifs

Border of the strip: lay the strip in front of you horizontally with the right side (RS) facing you, work a st-dc (or sl st, ch 2) in the ch5-sp of the top right corner of the strip (see schematic);

Repeat all of the instructions above to make a second strip. Block your strips to 7 cm/2.8" wide and 39,5, (45, 45, 45, 50,5) cm / 15.8, (18, 18, 18, 20.2) inches long, really stretching it lengthwise.

Sweater body (worked in the round)

Hints and tips:

- Please note that after you've worked the body, it can be shorter than the finished measurements. Do not be alarmed, the sweater will stretch to the right length after blocking!
- If you don't want/can't stretch so much, you can also work the body until it measures 34, (35, 35, 36, 37) cm / 13.6, (14, 14, 14.6, 14.8)" long from the armhole and continue to the hem.
- Please note that the armholes can seem tight after joining; they will stop at your upper arm instead of your shoulder point, so they should fit your upper arm.

Right sleeve

All sizes

Use a 3.5 mm (E/4) crochet hook

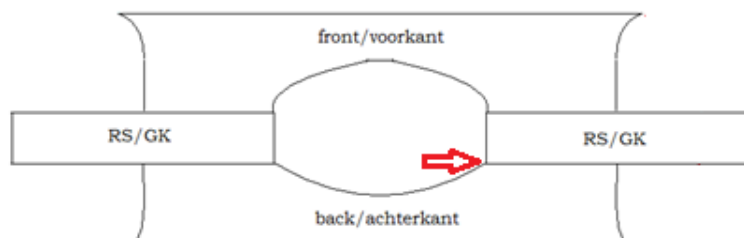

R1(WS): with the wrong side (WS) of your work facing you; join new yarn starting at the top of the back right shoulder by working a sl st into the first available stitch of the arm strip, work 17, (18, 20, 22, 26) sc along the back of the armhole evenly, work 1, (1, 2, 1, 1) sc between the back and front of the armhole, work 20, (21, 22, 25, 29) sc along the front of the armhole evenly, work 1 sl st into the first available stitch of the arm strip, ch 1, turn.

Stitch count: 38, (40, 44, 48, 56) sc

Repeat the instructions from R2 for the left sleeve and cuff.

Neckband

Tip: The neckline can pucker a little when working R1, this will straighten out with blocking. When it's puckering a lot, you can choose to work some sc2tog (instead of skipping some of the chains) between the shoulders of back and front to get the right number of sc's.

With a 2 mm (B/1) crochet hook and CC yarn

R1 (RS): With the right side facing you, work a st-sc (or [sl st, ch 1, 1 sc]) at the back right shoulder after the arm strip of the right arm (see schematic), work 7 sc along the side of the back right shoulder evenly, work 2 sc2tog over the first 4 chains between the back shoulders, 1 sc in next 11, (13, 19, 23, 25) chains between the back shoulders, work 2 sc2tog over the last 4 chains between the back shoulders, work 8 sc along the side of the back left shoulder evenly, sc2tog into the first ch2-sp and the first dc of the arm strip, 1 sc in next 13 dc of arm strip, sc2tog into the last dc and last ch2-sp of the arm strip, work 24 sc along the side of the front left shoulder evenly, work 1 sc2tog over the first 2 chains between the front shoulders, 1 sc in next 1, (3, 3, 7, 9) chains between the front shoulders, work 1 sc2tog over the last 2 chains between the front shoulders, work 24 sc along the side of the front right shoulder evenly, sc2tog into the first ch2-sp and the first dc of the arm strip, 1 sc in next 13 dc of arm strip, sc2tog into the last dc and the last ch2-sp of the arm strip, close the round with a sl st into the first sc, ch 2 (doesn't count as a dc).

Stitch count: 112, (116, 122, 130, 134) st

R2 (RS): 1 dc in the first sc where you joined the round, 1 dc in each sc around, close off with a sl st into the first dc, ch 2 (doesn't count as a dc).

Stitch count: 112, (116, 122, 130, 134) dc

R3: fpdc around the first dc where you joined the round, 1 dc in next dc *fpdc around next dc, 1 dc into next dc* rep between * * 54, (56, 59, 63, 65) times more, close off with a sl st into the first fpdc, ch 2 (doesn't count as a dc).

Stitch count: 56 dc/56 fpdc, (58 dc/58 fpdc, 61 dc/61 fpdc, 65 dc/65 fpdc, 67 dc/67 fpdc)

Repeat R3 2 times more, or until your neckband measures 3 cm/1.2". Omit the last ch 2 of the last round.

Please note that the neckband can curl, but that this will be solved with blocking.

Cut yarn and weave in the remaining ends. Wash your sweater and block it to the given measurements on page 3 (really stretching the sleeves and body), enjoy!
